

Bodhipath

Endless cycles of life and death,
Eternal plight of sentient beings,
Is there hope for Liberation?
A detailed path was revealed to us!

Setting examples of cultivations,
Exploring deepest contemplations,
A sudden flash of penetrations!
A glorious path of exaltations!

What is left for us to do?
Aimless dreams, senseless to pursue,
Confusions, addictions, and afflictions abound,
Stop! Wake up! Have to turn around!

Challenges ahead cannot be small,
Patience thin, prone to fall,
Blessed are those who hear the Dharma!
Guide us through the darkest samsara!
